HELL COMES TO EARTH

Rev. 9 | April 28, 2024

In today's text, the spiritual world invades our physical world in shocking and devastating ways. Is this really what's in store for the earth someday? If so, why? What lessons can we learn today about God, Satan, and ourselves in light of this? What implications does this have for our day to day lives today?

Even when God brings hell to earth, Satan is still on God's leash! (v1-19)

When hell comes to earth, the Devil's schemes & hatred of man is exposed. (v1-19)

Man's unending rebellion against a gracious God brings hell to earth. (v20-21)
